Any such student, however, wishing to take part in student activities and receive student privileges may do so by paying full mandatory fees. Mandatory fees are as follows:

**Summer Session I and Summer Session II**

Academic summer sessions may at times require fees be assessed to enrolled students. These special fees may include, but are not limited to, the following:

- Room and board fees for off-campus lodging,
- Travel expenses,
- Class material/tools,
- Costs of external laboratory analysis.

The cost of these services vary from year to year and the academic department makes decisions regarding summer session structure subsequent to the deadlines outlined in the Board of Trustees approved Institutional Plan for Student Fees and Other Charges. The Board shall approve such special summer session fees in principle, subject to the review and approval of the President prior to student assessment.

**Colorado School of Mines  
Tuition and Fees Refund Policy**

The amount of tuition and fee assessments is based primarily on each student's enrolled courses. In the event a student withdraws from a course or courses, assessments will be adjusted as follows:

If the withdrawal is made prior to the end of the add/drop period for the term of enrollment, as determined by the Registrar, tuition and fees will be adjusted to the new course level without penalty.

If the withdrawal from a course or courses is made after the add/drop period, and the student does not officially withdraw from the School, no adjustments in charges will be made.

If the withdrawal from courses is made after the add/drop period, and the student withdraws from School, tuition and fee assessments will be reduced according to the following schedule:

Within 7 calendar days following the end of the add/drop period, 60 percent reduction in charges.

Within the next following 7 calendar days, a 40 percent reduction in charges.

Within the next following 7 calendar days, a 20 percent reduction in charges.

After that period, no reduction of charges will be made.

To comply with federal regulations surrounding student financial aid programs, the Director of Financial Aid may modify this schedule in individual circumstances.

The schedule above applies to the Fall and Spring semesters. The time periods for the Summer Sessions I and II will be adjusted in proportion to the reduced number of days in these semesters.
